

Ohmoor high school

*Welcome to the Ohmoor high school.
It's the best and the biggest school
in Hamburg.*

*The school was founded in 1970 and
celebrates the 50th anniversary this
year. 1284 pupils attend our school.*

*This is our classroom. It's in
the building A on the third floor.*

*There are many lockers in the
building A.*

*This is Emma. She is one of the goats at
the Ohmoor high school. Our school has
got other goats too.*

*Each classroom has got a smart-
board and large white boards.*

*There is a climbing frame on our school
yard. Our playground is big. We like to
spend our break there.*

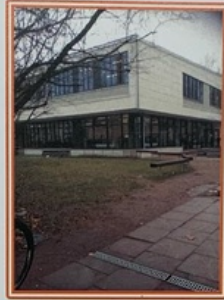

*Furthermore we have got a goats
enclosure in our playground. Mr Freke
and many pupils take care of the goats.*

This is the entrance on the building A.

This is the staircase in the building A.

This is the cafeteria. We can buy our lunch and drinks here at the lunch break. The food in the cafeteria is very delicious.
