The school

The school is already 50 years old and quite big. The classrooms are very nice and also our teachers are very cool and friendly.

Gymnasium Ohmoor has got lots of computer rooms, an Art room, an old and a new gym. Everyone enjoys doing sports at the gyms.

School yard and Goats

On the school's yard, there is the goats' stall. The students love the school's goats. Every day they visit them during the breaks. There is also a big climbing frame on the school yard. Underneath the climbing frame is a big sandbox to play in.

Cafeteria

Every day we eat lunch in the new cafeteria.

The food tastes very well. There is always a main dish as well as drinks and desserts.

There are different clubs at Gymnasium Ohmoor: a Music club, a Tennis club, a Volleyball club and many more. It is a lot of fun to be a member of those clubs. In the afternoon you can go to "Ganztag" (after school care), do homework here or play with your friends.
