house A

clubs

At our school you can do different clubs.

for example:

A drum club, here you can learn all possible choreographies and show concerts. The teacher is Mrs. Franke

A climate club, here you can learn about climate change, think about innovative technologies and fight against global warming.

And many more...

You can take part in the music school.

You can learn to play...

- ... flut
- ... e-bass
- ... violine
- ... guitar
- ... clarinet
- ... drums
- ... trompet
- ... songwriting
- ... singing
- ... saxophon

teachers and students

At our school we have got ca. 120 teachers and ca. 1300 students.

In every grade are classes from A to F.

Gymnasium Ohmoor

in Niendorf

Our school yard

We have got lots of sport equipments.

We have got basketball hoops.

And a container, where we can borrow things for example:

- basketballs
- jumping pole...

and so on.

We have got a big climbing frame.

Our goats

We have got a goat stall on the school yard.

The goats names are:

Glöckchen, Balou, Max, Carlotta Else, Tom and Emma.

Unfortunately Max and

Glöckchen died few days ago. Max is born in 2008 and Glöckchen in 2011.

The "goat-daddy" is Mr. Frehe.

The school buildings

We have got 8 houses.

House M, N, C, D, A, B, E and house F.

I have lessons in house A.

My class is the 5c.

My teachers are Mrs. Carstens and Mrs. Radke.

Here you can see house C and house B.
